

Patient Obligations

To help reduce administrative costs, we ask that you pay for services when services are rendered.

We require a 24-hour minimum advance notice of cancellation for all appointments.

Cancellations made less than 24 hours before the appointment will be charged the full rate of that appointment at the provider's discretion.

We cannot guarantee appointments for late arrivals, nor can we extend the allotted appointment time to accommodate a late arrival.

Your appointment will automatically be canceled 20 minutes after your scheduled appointment time.

Payment for a missed appointment must be made prior to scheduling another appointment or arrangements need to be made by phone.

I have read and agree to the above information.
